GOD MISSION

GOD MISSION

Do you ever just sit and listen to what God wants you to know? What is your favorite place at home? It could be a tree in your backyard, the bathtub, your closet, or your bed. Pick a place to sit down for a while and stay there until

you have a God thought. Whatever that thought is tell an adult in your home and ask them what they think it means.

Have you ever had a God thought before? Many times God will tell us something by helping us think of a picture, words, or even feel a feeling. Lots of times God will want us to share those God thoughts with someone else

because they need help making a good choice or they are feeling sad. Look around your classroom and think really hard for what God is trying to say to you. If you see someone in class and God puts a God thought in your mind go tell them what you thought!

Quiet Strength

Being quiet doesn't mean you don't ask for help when you need it. It means your heart is peaceful as you trust God and are willing to wait on Him to act.

Isaiah 30:15

I Know You!

God has set you apart to do something special for Him. Stay close to Him and let Him guide you. He will be with you every day of your life!

Jeremiah 1:5

It's Good to Be King

You don't have to rule a country or be a super genius to make a difference for God. When you do what's right, people notice and this pleases God.

2 Chronicles 34:1-2

Lost and Found

Young King Josiah treated the Word of God with honor and respect. He read the book aloud to the people so they could follow what was in the book.

2 Kings 23:2

Family Ties

When you believe in Jesus as your Savior, you become part of God's family. You become His child.

Ruth 1:16

No Separation

God promises that we can never be separated from His love. No matter what happens, He loves you and cares about you.

Romans 8:38-39

Sleeping Soundly

No matter what you are thinking about when you go to bed, know that God is watching over you. He can keep you safe, so close your eyes and sleep!

Psalms 4:8

POWER OF PRAYER

King Herod arrested Peter and put him in prison. The prison guards were no match for angel messages and the prayers of the church! Peter escaped prison and made it out of town without being discovered.

To find out what Peter thought after escaping prison, circle every other letter in the maze below. Copy the circled letters onto the spaces inside the maze.
