GOD MISSION

How do you know what you do is for God? Do you have to write his name on your homework for it to count as worship? Do you have to say His name in a song to make sure He knows it's for Him? Do you have to say a prayer before you eat your vegetables? Those are all nice things to do but worship is about why you do something. Did you do something good to get a piece of candy? Did you do your homework for a good grade? Those things are not bad but that is not true worship. When we do something as a sacrifice to God it is only to make him more important. We are giving up what we want, for what He wants. Read your favorite Bible story this week and write down what they did

Have you ever said, "I don't feel like it," or, "I don't want to"? There are many things that we don't feel like doing or don't want to do. Thing like going to bed, eating our vegetables, doing our chores, doing math homework, exercising, and many other things. Romans 12:1 says that worship is "sacrificing something to God" and that means WAY more than singing fun songs or going to church. It means doing things because we want to sacrifice what we want, for what God wants. What do you do for God that you don't feel like doing? Worship God by saying or doing something that you don't feel like doing. It could be your homework, playing with a new kid who is not very cool, or singing a song when you don't feel like. Be a worshiper for God.

that was worship for God.
